

# General Services Administration (GSA) Alliant 2

SAIC® is a premier technology integrator solving our nation's most complex challenges across the defense, space, civilian, and intelligence markets. Our offerings include high-end solutions in engineering, IT, and mission solutions. Headquartered in Reston, Virginia, SAIC has approximately 23,000 employees and annual revenues of about \$6.5 billion.

GSA connects federal agencies with the most cost-effective and high-quality commercial products and services.

## About Alliant 2

**DUNS Number:** 078883327

**POP:** 01 July 2018 – 30 June 2023\*

**CAGE:** 6XWA8

**Contract Number:** 47QTCK18D0001

**Number of Prime Contractors:** 53

Alliant 2, GSA's premier enterprise Governmentwide Acquisition Contract (GWAC), provides flexible access to customized IT solutions from a large, diverse pool of industry

partners. With a \$50 billion program ceiling and a five-year base period with one five-year option, Alliant 2 allows for long-term planning of large-scale program requirements.

\*When five year option is exercised; period end date will be 6/30/2028; orders awarded by 06/30/2028 may extend until 06/30/2033.

## Scope

The scope of Alliant 2 includes any and all components of an integrated IT solution, including all current and any new technologies which may emerge during the life cycle of the Basic Contract and information technology systems and services in support of National Security Systems. Alliant 2 provides IT solutions through performance of a broad range of services which may include the integration of various technologies critical to the services being acquired.

- GSA has a dedicated Program Management Office available to assist
- Subcontracting flexibility at task order level
- Sole source procurements are allowable
- GSA assisted acquisition available

# Ordering Guidelines for Government Customers

## How to Use Alliant 2

### Required Steps

1. Attend Delegation of Procurement Authority (DPA) training
2. Request a DPA; the DPA establishes the Ordering Contracting Officer's (OCO's) roles and responsibilities
3. Conduct Market Research and Acquisition Planning
4. Build the Task Order Solicitation
5. Issue the Task Order Solicitation
6. Conduct Evaluations
7. Award the Task Order
8. Send the Task Order Award information to the GSA Alliant 2 Office
9. Report Contract Actions: View instructions on task order reporting in the FPDS-NG System
10. Administer the Task Order - include the GSA Alliant 2 Office on modifications
11. Review Past Performance: Review and report your contractor's past performance
12. Close out your Task Order when appropriate

## Recommendations

1. Use GSA website links to conduct market research, including Requests for Information (RFIs) and draft task order solicitations
2. Receive a free scope review from the GSA Alliant 2 Program Office during acquisition planning
3. Reach out to the GSA Alliant 2 Program Office team anytime within the procurement process

## GSA Fees

The CAF is a required GSA fee that is fixed at 0.75%. CAF shall be applied to the total price for contractor performance as billed to the Government.

The total CAF collected per order may be capped at a set amount to be determined by the GSA Alliant 2 Office. For more information on this cap, please see the GSA Alliant 2 website or contact the SAIC GSA Program Management Office.
